#### RECOGNIZING THE IMPORTANT WORK OF NURSE PRACTITIONERS AND SUPPORTING INCREASED ACCESS TO HOME HEALTH

#### HON. GREG WALDEN

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. WALDEN. Mr. Speaker, I rise today to recognize the many nurse practitioners (NPs) in Oregon and nationwide who work hard to provide quality health care to patients. Today, I'm meeting with Nancy Cavanaugh, a pediatric NP from Central Point, Oregon. Nancy practices at La Clinica's school-based health centers, including at Crater High School in Central Point. NPs like Nancy are the health provider of choice for millions of Americans seeking primary care, pediatric care, disease education, and other preventative services. Along with clinical nurse specialists (CNSs), certified nurse midwives (CNMs), and physician assistants (PAs), NPs serve many patients as their main source of care, especially in rural areas where a physician isn't always readily available.

Despite this important role, these clinicians remain unable to order home health services for the Medicare patients under their care. This impediment results in an administrative and paperwork burden, creating an unnecessary step in care delivery. That is why I introduced H.R. 1342, the Home Health Care Planning Improvement Act of 2015, which would ensure that our Medicare beneficiaries get the home health care they need in a timely manner by allowing NPs, CNSs, CNMs and PAs to order home health services, if their state allows it.

By easing administrative burdens and permitting nurse practitioners like Nancy to order and certify home health services, the Home Health Care Planning Improvement Act would

help deliver needed care to patients, especially in areas where access to health care is limited. Oregon's seniors should be able to receive this important care in a timely fashion, because no one should be forced to choose between receiving health care and remaining in his or her home. Please join me in thanking Nancy and her fellow NPs for their hard work on behalf of patients.

#### RESTORE THE VOTE

#### HON. TERRI A. SEWELL

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Ms. SEWELL of Alabama. Mr. Speaker, I rise to acknowledge today as Restoration Tuesday and to honor the role of the brave men and women who fought in the ongoing battle to protect our most sacred constitutional right, the right to vote.

Today, 51 years ago, courageous men and women stood tall and moved forward on what would be the final march of the peaceful protest marches from Selma to Montgomery, Alabama in March of 1965. This final march only occurred after countless Americans were left beaten, bloody and bruised on "Bloody Sunday" in pursuit of their fundamental right—the right to have their voices heard and their vote counted. The Voting Rights Act of 1965 would never have been possible without their sacrifices; but still today old battles have become anew and the struggle for equal voting rights continues.

It is reprehensible that still in 2016, Americans across the nation continue to face modern day barriers to the ballot box. A number of states, including Alabama, quickly passed restrictive laws designed to suppress the vote after the Supreme Court struck down Section 4 pre-clearance and federal protection for vul-

nerable communities in 2013. The Voting Rights Act of 1965 was reauthorized nearly a decade ago and it is shameful that still today, people across the nation do not enjoy full and free access to exercise their right to vote. The time is always right to do what is right. As we continue to progress throughout this election year, it is especially critical that all Americans have fair and equal access to the ballot box. Our very democracy is built on the ability of every citizen being able to have their voices heard and vote counted.

We must learn from the lessons of the past and honor those who sacrificed for our nation's progress. Just recently, I introduced legislation to honor voting rights icon, Amelia Boynton Robinson, by renaming the Selma, Alabama post office in her honor. Mrs. Boynton Robinson was a voting rights hero and one of the Foot Soldiers on the front lines of the 1965 voting rights marches. She made the clear and compelling statement through her campaign motto when running for Congress as the first woman from the State of Alabama that "A Voteless People Is A Hopeless People." We cannot continue to repeat the errors of the past. Amelia Boynton Robinson, like so many others literally shed blood for the right to vote. Fifty-one years later, no one should have to face violence or shed blood for a fundamental right.

Also, just today I introduced legislation to designate several civil rights and voting rights sites in Birmingham, AL as a national park in order to commemorate their historical significance. While these pieces of legislation are important gestures, the best way to commemorate and recognize their legacy is to pass meaningful voting rights legislation that would restore key provisions of the Voting Rights Act of 1965.

Now is the time. Congress must act. The American people cannot wait any longer. On this Restoration Tuesday, we honor the men and women who stood for our fundamental right and take up the cause to continue the fight. The right to vote is worth fighting for and we must fight until the battle is won.

We must Restore the Vote.

#### CONGRATULATING THE ALIQUIPPA QUIPS FOR A PERFECT SEASON

#### HON. KEITH J. ROTHFUS

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. ROTHFUS. Mr. Speaker, today I recognize the Aliquippa Quips boys basketball team for claiming the PIAA Class AA title after an undefeated season with a perfect 30-0 record. Their extraordinary accomplishment makes the entire community proud.

It is history in the making. They're only the 13th WPIAL team to ever win a state basketball title with a perfect record, and the 33rd undefeated boys basketball state champion. This is Aliquippa's first state title since 1997, and their first undefeated state championship since 1949.

Athletics endow young people with many of the virtues and skills they will need to succeed not only on the court, but in every other endeavor. These young men are being rewarded for their hard work, dedication, athleticism, and team unity.
